# Celebration and Commemoration

**The 60th anniversary of the State of Israel is approaching. It's a time of immense celebration and a time to thank God for its miraculous survival against the odds.**

But this is also a time when we should remember those thousands of individuals who have died either defending the Jewish state or as victims of terror.

This learning card accompanies the 60 Days for 60 Years: Israel book. It lists 60 tragic moments in Israel's history corresponding to each of the 60 essays. Every essay that you read will be learnt in memory of those who lost their lives in one of these tragic events.

We have highlighted 60 moments in Israel's history. Sadly there are so many more who have lost their lives or been injured. We dedicate the whole of the 60 Days for 60 Years: Israel project to them all.
